

To offer the people of Muscatine and of similar cities in other nations opportunities to get acquainted—to understand one another as individuals, as members of their community, as citizens of their country, and as part of the family of nations.

Message From President

Dear Fellow Citizen:

Join Muscatine Sister Cities as we celebrate 35 years of citizen diplomacy in 2021.

As we begin year 2021, we pause to reflect upon our mission of citizen diplomacy.

We are proud to commemorate the signing of nine sister cities relationship around the world and the 35 years of exchange, connection, and friendship.

As we will celebrate the past, we also look forward. Throughout the year we will hold various events and programs aimed at highlighting our history, our vision for the future, and the impact of citizen diplomacy. Muscatine Sister Cities Display

We continue to share our quest for cultural understanding and peace, even during these pandemic times. We are currently providing a visual introduction of our Sister Cities at our public library.

For the next few months, Drohobych, Ukraine, is presented to the community. To date, we have also displayed Kislovodsk, Russia, and Zhengding, China, in the display case at the library. We hope to capture attention in this manner to teach others about our Sister Cities around the world!
